EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Sonia Guterman on 12/19/07.

Cancel claims 27, 29, 30 and 32.

Amend claim 28, line 1, delete "The text to voice messaging device of claim 27".

Amend claim 28, line 1, before "wherein said voice" add

"A text to voice messaging device, operating in conjunction with a television messaging system, having messaging software, the system comprising:

a set-top box in communication with the television messaging system, and adapted to deliver a message through a television coupled thereto;

a text receiving module executed in said set-top box, and adapted to receive text from a user;

a text to speech module executed in said television messaging system, and coupled to said text receiving module for transforming said text into speech, said text to speech module adapted to produce a voice output corresponding to said text; and

a voice delivery module adapted to deliver said output as a message to a target messaging system capable of receiving voice messages”

Amend claim 31, line 1, delete “The text to voice messaging device of claim 27,”.

Amend claim 31, line 1, before “wherein said set” add

“A text to voice messaging device, operating in conjunction with a television messaging system, having messaging software, the system comprising:

a set-top box in communication with the television messaging system, and adapted to deliver a message through a television coupled thereto;

a text receiving module executed in said set-top box, and adapted to receive text from a user;

a text to speech module executed in said television messaging system, and coupled to said text receiving module for transforming said text into speech, said text to speech module adapted to produce a voice output corresponding to said text; and

a voice delivery module adapted to deliver said output as a message to a target messaging system capable of receiving voice messages”

REASONS FOR ALLOWANCE

The following is an examiner’s statement of reasons for allowance:

The prior art of record, both alone and in combination does not disclose nor sufficiently suggest the combination of features as claimed by applicant.

Claims 28, 31, and 33-38 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hunter B. Lonsberry whose telephone number is 571-272-7298. The examiner can normally be reached on Monday-Friday during normal business hours.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Miller can be reached on 571-272-7353. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
